

Lake Erie LMSC Coaches Committee report

Tuesday, March 29, 2022

Nelson Abbey

1. A questionnaire was sent to certain LE LMSC members (48) who were identified as possibly having interest in coaching, by email, on 2/24/2022. Some additional members were included in the mailing.

The purpose of this questionnaire was to determine who is currently coaching and who may be interested.

2. Results of the questionnaire are as follows:

Total of 22 people responded. (Some earlier counts included some double-counting). It's a good thing I wasn't a lap counter in the CSU meet!...

Here are the questions and the number of positive answers to those questions:

Question number	Question	Number of positive answers
#1	Do you currently coach Masters swimming workout group?	4
#2	Have you coached any swimming in past?	10
#3	If you haven't, are you interested?	7
#4	Are you a certified coach? If so, what level?	7
#5	Do you know someone who may want to coach Masters?	1
#6	May I call you?	11
#7	Do you want any information from me on USMS coaching?	4

A detailed spreadsheet has been created and is available for review.

3. Follow up includes:
 - Add current coaches and any additional interested people to the list, as they become known.
 - Communicate in general with those who will accept calls.
 - Provide resource information, certification procedures, notify of important dates to the interested people.
 - Additional steps TBD...
