

COVID-19 Safety Plan

Current applicable federal, state, local, and facility orders regarding size of gatherings, other COVID-19 protocols, etc. (include links where appropriate)
Walnut Creek Masters follows the COVID-19 protocols set by the City of Walnut Creek. Currently masks are required in the locker rooms, lobby, and classroom. Any changes in protocols will be emailed to all meet participants prior to the start of the meet.
Venue cleaning protocols for before, during, and after the event
The City of Walnut Creek follows CDC guidelines for cleaning.
Face-covering requirements and enforcement for unvaccinated attendees
No requirements for face-covering.
Modifications to registration and check-in area and process
Swimphone check-in is available to limit the number of on deck check-ins.
Warm-up social distancing requirements and enforcement
None
Venue facilities that are available and off-limits to participants
Available: Short-course meters pool and the first 6 lanes of the 50-meter pool closest to the short-course pool for warm-up and the locker rooms. Off-limit areas: Shallow pool, 14 remaining lanes of the 50-meter pool, office, and classroom
Swimmer requirements for races (entering and exiting the water)
None
Other participant interaction modifications (awards, results, etc.)
None
Post-event notification protocol, in the event that an attendee subsequently tests positive for COVID-19
Email notification to all meet participants.
