## INCIDENT REPORT FORM

### INSTRUCTIONS

It is important to have written incident reports on file regarding injuries (to participants, spectators, coaches, or other volunteers), property damage or other incidents that may result in a liability claim against your club, LMSC or U.S. Masters Swimming. Liability claims usually allege negligence, and written reports prepared immediately after an incident occurs are invaluable in defending these types of claims.

So that key information is recorded, U.S. Masters Swimming has developed an Incident Report form for this purpose.

Examples of incidents which need to be reported include, but are not limited to, the following:

- Bodily Injury or Illness
- Fatality
- Property Damage
- Missing Person(s)

The Incident Report form should be completed at the time of an accident, injury or other incident during a U.S. Masters Swimming sanctioned or approved activity/event. This report is to be completed by:

- **Coach or Official:** For incidents occurring during regular club/LMSC activities, including practices, competitions, camps or clinics.
- **Coach or Director:** For incidents occurring during other sanctioned or approved club activities or events.

Please be certain to fill out the Incident Report form completely and accurately. Prompt reporting of incidents provides the insurance company with a head start in evaluating and resolving these matters, where possible, and ensures that the strongest possible defense can be provided to the LMSC, Club/Workout Group and/or Event Organizer in the event that a claim or lawsuit is filed. Attach any additional information that might be helpful in defense of a future claim, such as: police report, pre-event inspection report, photos taken at the time of the incident, and written statements of witnesses.

**Completed Incident Report forms should be submitted as soon as possible to:**
