CODA

The DC Masters Swim Team wishes to express its thanks to two special people involved in Masters Long Distance Swimming. Our thanks to:

DALE PETRANECH, who started this event almost ten years ago and is now Chairman of Long Distance Swimming for U.S. Swimming. Dale's unflagging support of distance events has helped the program expand over the years. 1986's Hour Swim was the largest one ever.

DAVE GRAY, Chairman of USMS's Long Distance Swimming Committee. Dave's active support kept this event a National Championship at a time when postal event Nationals were being eliminated. He argued persuasively regarding the integrity of Masters swimmers in reporting their distances achieved. His support of the Hour Swim carried the day. We and the more than 900 Hour Swim entrants publicly thank him for his efforts.
