GREENWICH SWIM COMMITTEE

## **History – 1992 One Mile USMS Championship**

**July 11, 1992**

Greenwich Point

The weather was perfect – the water was calm. The local paper reported the water temperature at 67 degrees F.

There were 233 swimmers signed up with 200 finishing the swim. Every swimmer who checked in was accounted for.

Ages ranged from 22-70 for women and 21-75 for men. There was no one in the female 55-59 age group.

The overall winner for men was Josh Woodruff, 21, a Greenwich native and senior at Yale. Katherine Branch, 35 won for the women. She is a librarian at Yale.

The largest age group was men 35-39 with 23 finishing.

Medals were awarded by gold medal winner Donna deVarona, a Greenwich resident and long time ABC Broadcaster. Medals were given out to the first eight places in each age group.

One sad event occurred during the meet to the oldest competitor, Ashby Harper, 75. He complained of chest pains after completing the race and was taken by EMS personnel to the Greenwich Hospital where he died later in the evening.
