# MANTA

STRAPLESS STRENGTH & TECHNIQUE PADDLES

While most strength training paddles on the market today are made with uncomfortable rubber straps that pull the skin and often break, the **FINIS Manta Paddles** break the mold! These large, strapless paddles allow swimmers to focus on what's important—improving technique and building strength. **No straps, less stress!**

**COME CHECK IT OUT!**

Stop by the D&J Sports booth and see the new Manta Paddles and Smart Goggle for yourself!

# SMART GOGGLE

FITNESS TRACKER w/ IN-GOGGLE DIGITAL DISPLAY

The Smart Goggle, Powered by Ciyé™, is designed to help swimmers achieve their swimming goals. The in-goggle display shows real-time metrics like splits, time, lap count, and stroke rate. Once out of the water, the app provides in-depth analysis of your workouts, logs your history, and allows you to connect with popular fitness apps.

Bienvenidos participants, coaches and visitors!

On behalf of San Antonio Sports and the Northside Independent School District, we would like to welcome you to the 2022 U.S. Masters Swimming Spring Nationals at the NISD Swim Center. We are proud to co-host this year's championship at our state-of-the-art swim center, one of the country's finest aquatic facilities.

NISD is the largest school district in San Antonio and the fourth largest in the state of Texas. With over 100,000 enrolled students at 125 schools, the district continues to grow because of the exemplary academic and co-curricular programs that attract families to Northside ISD, including NISD Aquatics that has had a longstanding tradition of excellence since 1976.

Since 1983, San Antonio Sports has been transforming the San Antonio community through the power of sport by producing events, programs and school parks that provide opportunities and generate economic impact for our tourism industry.

Our efforts hosting together have attracted numerous national events with U.S. Masters Swimming, USA Swimming, USA Water Polo, USA Diving and AAU, including the 2016 USA Swimming Olympic Team Training Camp.

We hope you enjoy our one-of-a-kind facility boasting an outdoor 50-meter Olympic-sized pool, 50-meter indoor competition pool, dive well with full tower and a 25-yard instruction pool. Thank you for your support of swimming in San Antonio and good luck to all of those competing.

We also hope you will enjoy all that San Antonio has to offer and that you will visit us again soon!

Sincerely,

## CITY OF SAN ANTONIO

**RON NIRENBERG**  
**MAYOR**

April 28, 2022

### **Bienvenidos a San Antonio!**

On behalf of the city of San Antonio, I would like to welcome you to the 2022 U.S. Masters Swimming Spring Nationals. As the seventh largest city in the United States, San Antonio has retained its sense of history and tradition, while carefully blending in cosmopolitan progress. The city has always been a crossroads and a meeting place where the sounds and flavors of the world mingle and merge. About twenty million other visitors will join you this year as you delight in the discovery of San Antonio's charms.

Showcasing one of our brightest charms, San Antonio is extremely proud to host this year's Spring Nationals at the Northside ISD Swim Center. During your visit outside of competition, take time to enjoy some of the local flavor and attractions, such as the historic Alamo, which is one of five San Antonio Missions, a designated UNESCO World Heritage site. And nothing says San Antonio quite like El Mercado, patterned after an authentic Mexican market and the historic Pearl Brewery, which is home to unforgettable cuisine, rich history and all the charm of South Texas.

Whether you are a San Antonio resident or traveling from out of town, you will find everything you need at [www.visitsanantonio.com](http://www.visitsanantonio.com) to make your experience the best ever!

I trust you will not only enjoy the best swimming facility in the country throughout your stay here, but also take advantage of our rich, multicultural heritage that has inspired San Antonio's famed South Texas hospitality, unforgettable food and lively fiestas.

Best of luck to all of the competitors and we hope you will visit the Alamo City again soon!

Sincerely,

Ron Nirenberg  
MAYOR

# VENZO

USA

● **FRICTIONLESS FIBER CONSTRUCTION™**

As the first and only tech suit in the industry to analyze drag from a microscopic perspective, the Venzo utilizes ultra smooth fiber to thread a frictionless, durable fabric.

● **SURFACE LIFT TECHNOLOGY™**

Surface Lift Technology prevents water from permeating the fabric, resulting in higher body position in the water.

● **ENDO COMPRESSION CAGE™**

Taping and inner fabric form a compressive, flexible cage of support for the abdominals, obliques and quadriceps that creates a *snapback effect* and increases distance per stroke.

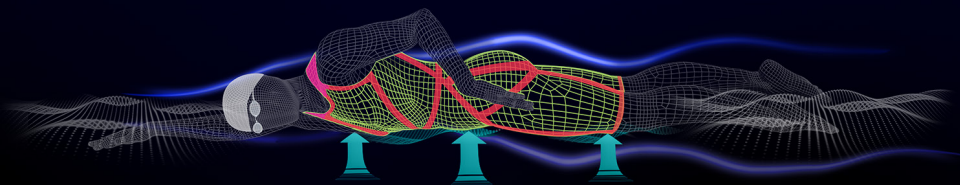

● **SEAMLESS EXO SHELL™**

This hydrodynamic design utilizes a seamless construction to streamline body position while decreasing overall drag.

● **ENDLESS STRAPS™**

Ultra sleek, bonded straps engineered to ensure a state-of-the-art combination of comfort and stability.

How Does this Work?

A bright light will be missing at our teams' practices from now on. Joseph blended competition and fun, continually bettering himself and those of us who had the pleasure to swim with him. There aren't enough words to describe what we'll miss, but some "Josephisms" we'll always cherish:

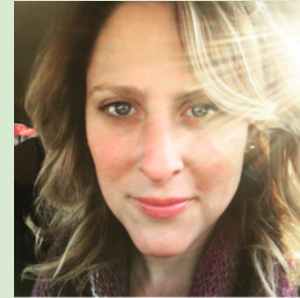

- FIST BUMPS ALWAYS – "FUUUHN. THAT WAS A FUN SET!" AFTER EVERY HARD SET – HIS EXCITEMENT AT EVERY PRACTICE – HIS PINK SWIM CAP THAT HE KNEW WE WERE ALL JEALOUS OF – "SORRY FOR MY F BOMBS"
- IF HE COULD DRIVE IN FROM CASTROVILLE, THOSE OF US MUCH CLOSER CAN'T COMPLAIN – HOW HIGHLY HE SPOKE OF HIS FAMILY – "HEY BOSS, YOU NEED TO SLEEP AT NIGHT INSTEAD OF MAKING UP THE HARD WORKOUTS" – SUNGLASSES & TOOTHPICKS

"Thanks for the swim."

Tribute to Katie Grauman Grier, Team leader of Club Tribe 1693  
1978-2021

Katie Grauman Grier was a devoted mother, daughter, sister, and aunt, fiercely loyal friend, and legendary William & Mary swimmer (Class of 2000). She passed away on August 20, 2021, at the age of 43. Katie faced an incurable and ever-worsening cancer with clear eyes and unfathomable power and strength. Her bravery, honesty, and good humor were a gift to all who were struggling to help and support her. Katie emphasized to friends and family that she drew sustenance from their steadfast support and took consolation and repose from her Christian faith.

Katie was part of a transformative Freshman class at William & Mary that restored the Tribe's competitiveness following the College's attempt to eliminate the program in the early '90s. Katie was a natural leader, consummate teammate, and a pure, unblinking racer. Katie held multiple team records and is currently ranked 8th in the W&M Women's Swimming history for both total career victories (52) and total career points (1,127.5) - one of the only swimmers from her era still in the Top 16 in those categories.

In 2014, Katie joined a few of her former teammates to create Club Tribe Masters Swimming, a US Master's team comprised largely of W&M alumni, (although all are welcome!). Katie was an indispensable leader on deck and behind the scenes, working every day to build, grow, and enhance the team. Katie was Club Tribe's center of gravity.

Although she had been out of the pool for 15 years, Katie trained relentlessly and took her performance to astonishing heights. Simply put, she became the fastest woman in her age group in the USMS. She swam lifetime best time in the 50 Free at 39 (23.82) and the 100 Free at age 40 (51.49), surpassing her college performances. In 2019, Katie was named the U.S. Masters Swimming Pool All-Star for women aged 40-44-a distinction held by the one swimmer in each age group who achieves the most national #1 ranking in a calendar year. Katie was a USMS All-American five times and a USMS relay All-American six times, amassing 17 national #1 rankings in individual events, 17 individual state records, and 24 relay state records.

As a competitor, Katie held herself to impossibly high standards. Her work ethic and pain tolerance were unmatched. Through it all, she remained humble to a fault and was never self-congratulatory. She was far more excited to see a teammate perform well, or to help a relay get to the wall first than she ever was with her own swims. As a leader, Katie was gracious, encouraging, welcoming, and thoughtful. She made everyone around her better, and she is truly irreplaceable. As one dear friend and longtime teammate of Katie's put it: "She was a badass, and she was **our** badass."

In 2019, Club Tribe attended the Spring Nationals. As always, Katie was amazing-it was breathtaking to watch her race, and just as fantastic to joke around and have a blast with her. We miss Katie terribly. She was an amazing light to many. Below are pics from the 2019 USMS Spring Nationals: take a guess who Katie is!

Club Tribe has brought a bigger group this year and we plan to continue to race fast and have fun, just as Katie would have liked. We will do our best to make you proud Katie. Love you lady.
