MANTA

STRAPLESS STRENGTH & TECHNIQUE PADDLES

While most strength training paddles on the market today are made with uncomfortable rubber straps that pull the skin and often break, the **FINIS Manta Paddles** break the mold! These large, strapless paddles allow swimmers to focus on what's important—improving technique and building strength. **No straps, less stress!**

July 20, 2022

Greetings:

It is my distinct pleasure to welcome you to the Greater Richmond Area, and particularly to Chesterfield County, for the US Masters National Championship at the Collegiate School Aquatic Center. This will be the first national championship in the sport of swimming in the Commonwealth and we are delighted it has found a home in Chesterfield County.

Chesterfield, much like the rest of our region, has a lot to be proud of. Just minutes from here, the 2nd-oldest English settlement in the New World was established at the 1611 Citie of Henricus. The county has a rich history that includes significant events that occurred here during the Revolutionary War and the Civil War. Chesterfield also has recreational opportunities abundantly available and is part of the reason why Chesterfield County is a three-time winner of the award as "One of the 100 Best Communities in America for Young People" given by General Colin Powell's organization, "America's Promise—the Alliance for Youth." Whether it's for our history, the natural beauty of the lands along the James and Appomattox rivers, or our moderate, mid-Atlantic climate, we hope you'll enjoy Chesterfield County on this trip, and that you'll visit with us again in the future.

Welcome to our community.

Sincerely,

Joseph P. Casey, Ph.D.
County Administrator
