Dear Swimmers, Supporters, and Spectators:

On behalf of my colleagues on the Mission Viejo City Council, I welcome all of you to the 2019 U.S. Masters Swimming Summer National Championship hosted by the Mission Viejo Nadadores!

In 2018, the City of Mission Viejo celebrated its 30 years of Cityhood and the Grand reopening of the Marguerite Aquatics Complex, the home of the World Famous Mission Viejo Nadadores Swim and Dive organization. After almost 16 years of planning and 18 months of reconstruction, these state-of-the-art aquatics complex has been completely renovated with new pool decks, a 10-meter double-wide dive tower and many other aquatics training features. In just the first 12 months since the reopening of the facility, the center has hosted over 30 swim and dive events for Olympic level athletes from all over the world.

Congratulations and best wishes to all of the outstanding coaches and athletes who have earned the opportunity to participate in this championship. We wish you the best and hope you achieve your best times ever. "Make Living Your Mission" is the official City of Mission Viejo's slogan and it is a true reflection of how the people in Mission Viejo live life to the fullest in every aspect. We are very proud of our City and our Nadadores and the numerous champions that have come out of this program while training at the facility.

While in Mission Viejo, I encourage you all to visit the many beautiful parks and trails, and in particular, the Oso Creek Trail located at La Paz and Veterans Way, and the Oso Creek Lake Loop Trail around Lake Mission Viejo to enjoy the beautiful views of Saddleback Mountain. We hope you enjoy your stay here in Mission Viejo and that you will take home many pleasant memories from our beautiful City.

Sincerely,

Greg Rath

On behalf of the Athletes, Coaches, Members, and the Board of Directors, I welcome all of you to the 2019 U.S. Masters Summer National Championships!

This is the fifth time the Mission Viejo Nadadores have hosted the Masters Nationals and we look forward to some crazy fast times as well as catching up with our friends we have not seen from around the United States.

The meet is made possible with the hard work and dedication of many volunteers, City of Mission Viejo, and financial support of local businesses and the USMS Partners. I hope that you notice them, listed throughout the meet program and thank them with your patronage in the Partner Village.

To the officials, coaches, meet personnel and volunteers, we extend our thanks for giving us the chance to cheer our fellow swimmers and friends. To all the swimmers, we congratulate you on your competitive spirit, determination and commitment to the sport of swimming. I wish you an enjoyable meet and hope you achieve your best times ever!

Seeding

Men's heats will precede women's heats for each event. All events 200 meters and longer will be deck seeded and seeded slowest to fastest by entry time, regardless of age, men and women separately. All 50- and 100-meter events will be preseeded by age group, with the oldest age groups first, slowest to fastest within each group, men and women separately.

All events 200 meters and longer will require positive check-in.

Check-In Deadlines

Positive check-in is required for all events 200 meters and longer.

Check-in online at usms.org. Swimmers, or their coaches or teammates on their behalf, may check in online or in person by the deadlines below. Failure to check in will result in the swimmer being scratched from the event, and the swimmer will not be permitted to swim that event at another time.

Wed., Aug 7, 2019	1500 freestyle	Tuesday 3-7 p.m. - Wednesday by 7 a.m.	Monday 7 a.m. - Wednesday by 7 a.m.

*All times are Pacific time. All 200 events are deck seeded, and the check in deadline is 7 a.m. on the day the event is swum.

Scratches

Any swimmer failing to report to the proper lane in the correct heat of an event will be scratched from that event and will not be permitted to swim that event at another time.

Relay Information

Relay entry is available online starting on August 1. All relay swimmers must have entered the meet with individual events or as a relay-only swimmer by July 8, 2019.

Online relay team entry is easy to use, paperless, and available to you for unlimited edits, additions, deletions, and report printing up to the deadline for each relay event. If you have any questions while in Mission Viejo, go to the Relay Support desk near Registration.

Relays are \$16 each. A credit card must be submitted when entering relays online. However, the card will not be charged until the last day of the meet, August 11. Cash or check may be presented at the athlete registration table on-site before the last day to avoid having the card on file charged. On August 11, payments for all relays entered and seeded before the last meet day will be processed using the card on file. There are no refunds for relays entered incorrectly or not swum.

Following relay submissions and the issuance of the relay cards, no changes in the age group or seed time are allowed. Any change of swimmers after cards are distributed must therefore keep the relay in the same age group or the relay will be disqualified. Any change in the order of swimming after issuance must be identified and noted on the card prior to the swim. Swimming in any other order than that listed on the card will result in disqualification of the relay.

Relay cards may be picked up in the registration area. Relays will not be checked for mistakes and omissions made by team representatives. Disqualifications resulting from mistakes and omissions shall not be reconsidered. Accuracy and completeness are the responsibility of the coaches and/or swimmers submitting the relays.

Meet Information

Warm-up Times

The competition pool will be open for warm-up on Tuesday, August 6, from 3 p.m. to 7 p.m. On competition days, the competition pool will be open from 6:00 a.m. until 7:20 a.m. and the warm-up pools will be available from 6:30 a.m. until the conclusion of the final event each day. The competition pool will also be open for warm-up for 30 minutes following the last heat of the 800 freestyle, 200 medley relay, 400 freestyle, and 200 freestyle on Thursday, Friday, Saturday, and Sunday, respectively, and for 30 minutes following the 400 IM on Friday. On August 7, 2019, the competition pool will remain open until 5 p.m. or 30 minutes following the last heat of the 1500 freestyle, whichever is later.

Warm-up Procedures

Swimmers must enter the pool feet first in a cautious and controlled manner. No diving or backstroke starts will be allowed except in designated sprint lanes. There will be a designated sprint lane in the warm-up pool and diving and backstroke starts will be allowed throughout the meet. Sprint lane(s) will be designated as one-way sprint lanes during the pre-meet warm-up session in the competition pool only. Any swimmer who acts in an unsportsmanlike or unsafe manner within the swimming venue may be considered for appropriate action or penalty by the referee (rule 102.13.3). Pull buoys, kickboards, fins, snorkels, and hand paddles are not allowed in the competition pool or the warm-up pools.

Split Notification

Final results will indicate splits for all swims (excluding pad malfunctions). Splits will be recorded for all swimmers, and submitted for records and Top 10 consideration, for initial distances of all individual events (except for backstroke) and for all relay lead-off splits. Therefore, swimmers need not submit split requests for those events. Split requests are required for initial distance(s) of an individual backstroke event. The swimmer is responsible for picking up the Split Notification Form from the administrative official, filling it out, and presenting it to the administrative official prior to the swim. Automatic split times will be submitted for USMS Top 10, but automatic split times from individual events will not automatically appear in the USMS event results database. If you would like a split time to be added to the event results database, please email your request after the meet to events@usmastersswimming.org.

Time Verification (formerly OVCs)

Swimmers wishing to have times entered into SWIMS (USA Swimming times database) must complete a form at the meet prior to the swim. Contact the administrative official at the meet.

Awards

Medals will be given for first through 10th places in each age group for each event. A U.S. Masters Swimming championship patch will be given to each individual and relay team member for the first event won. Swimmers winning more than one event may purchase additional patches. Unclaimed awards will not be mailed.

Club Scoring

Championship banners will be presented to the top five clubs in the regional division and to the top 10 clubs in the local club division. These will be presented at the conclusion of the meet on Sunday, August 11.

Live Coverage, Heat Sheet, and Results

The 2019 USMS Summer Nationals page is the location for all official information, including results and live coverage of the event. Remember to tell your friends, family, and teammates to follow along. The USMS Summer Nationals Facebook event page can be used to connect with your fellow swimmers and view photos and updates.

Service Animals

Only service animals will be permitted on deck at the venue; all other animals are prohibited.

TYR VENZO™

— BATTLE BORN —

● **FRICTIONLESS FIBER CONSTRUCTION™**

As the first and only tech suit in the industry to analyze drag from a microscopic perspective, the Venzo utilizes ultra smooth fiber to thread a frictionless, durable fabric.

● **SURFACE LIFT TECHNOLOGY™**

Surface Lift Technology prevents water from permeating the fabric, resulting in higher body position in the water.

● **ENDO COMPRESSION CAGE™**

Taping and inner fabric form a compressive, flexible cage of support for the abdominals, obliques and quadriceps that creates a *snappy effect* and increases distance per stroke.

● **SEAMLESS EXO SHELL™**

This hydrodynamic design utilizes a seamless construction to streamline body position while decreasing overall drag.

● **X-FINITY STRAPS™**

Ultra sleek, bonded straps engineered to ensure a state-of-the-art combination of comfort and stability.
