"... The full range of articles you present offer something for everyone, from technique, to shopping for the best goggles, to a historical and social look at swimming. Thank you!"
SWIMMER provides expert training and technique advice from USMS’s top coaches, as well as information on health, wellness, fitness, personality profiles, physiology, and other topics. Swim-related products are evaluated in our product testing department, Swim Bag. Our members rely on Swim Bag for guidance when making their purchasing decisions.

SWIMMER also provides you with a great way to reach the largest organized community of Masters swimmers in the U.S., many of whom participate in a wide variety of sports and activities.
