Subject: 2020 USMS Virtual Annual Meeting – Update #3

Greetings USMS Delegate,

Below are important updates on open forums that will take place in conjunction with the annual meeting, to ensure all delegates have a chance to ask questions and learn more about recommendations and national strategic initiatives.

- **Legislative Committees Open Forums**

The Legislation, Rules, Long Distance, and Finance Committees will be hosting un-opposed open forums this week, September 14th at 8PM EDT, to review all proposed amendments, which can be found on the [2020 Annual Meeting page](#). This will be a time for all delegates to bring up questions about the proposals and the committee's recommendations prior to the HOD sessions.

- **Open Forum with the CEO**

Typically, USMS CEO, Dawson Hughes has an opportunity to meet new delegates and connect individually with returning delegates at various points during in-person annual meetings. To replicate those valuable discussions, [please sign up for a 15 minute zoom session](#) to ask questions about work at the national office, learn more about strategic initiatives, address concerns or make suggestions on ways we can better serve USMS members. Times are available on Friday, September 18 and Monday, September 21. This is an open forum so any discussion is welcome.

Meetings of the House of Delegates will take place Sept. 25-27. [The complete schedule of meetings](#) and sessions of the [House of Delegates agendas](#) can be found on the annual meeting page.

Thank you for all that you do for U.S. Masters Swimming and we are looking forward to virtually seeing you soon!

Please let me know if you have any questions,

Jessica
